Dear Hiring Manager,

I am writing to express my interest in the Graphic Designer position at Wolf Inc.

With a strong background in visual communication, branding, and digital design, I bring a creative and strategic approach to every project. My experience across agency, tech, and retail environments has equipped me with the versatility and collaborative mindset needed to thrive in dynamic teams.

In previous roles, I led the visual rebranding of a fintech client that increased digital engagement by 35%, developed a modular icon system for a B2B software suite, and designed seasonal campaigns that boosted e-commerce sales by 50%. I am proficient in Adobe Creative Suite, Figma, and motion design tools, and I'm passionate about crafting visuals that not only look great but also drive results.

I would welcome the opportunity to bring my skills and enthusiasm to your team. Thank you for considering my application—I look forward to the possibility of discussing how I can contribute to Wolf Inc's creative vision.

Warm regards,  
John Deer
